Kinnett informed Council and Mayor Bascom he has been Redevelopment President for 3 years. He stated during the Roeder administration they put together a plan to research the purchase of 8 properties—5 have been purchased and they still have an interest in 3. They have received a BEP (Blight Elimination Program) grant to use for demolition of buildings related to some of the properties purchased. Demolition of all participating properties should be complete in the next few weeks. A determination will need to be made to maintain as green space or redevelop the properties into an upscale empty nester housing at some point in time.

Mayor Bascom requested City Attorney Baudendistel to announce other named Board Attorneys for the City. See Attached Exhibit F. Mayor Bascom stated the replacements are not a reflection of anyone doing anything wrong.

Mayor Bascom introduced Matt Brase with Legisgroup. Clerk Treasurer Gipson stated Jon Bond did not believe he would be able to attend the meeting. Matt thanked Mayor Bascom for inviting him to the meeting. He stated he has been with LegisGroup for 9 years and with IACT for 10 years prior. He presented a snapshot of legislation that was related to Rising Sun to City Council and Mayor Bascom. He covers the session, summer study committees, Governor's office, Gaming Commission, and Casino Association. He offered to answer questions and again thanked the Mayor for inviting him.

There was discussion Council didn't want to be without a Lobbyist for the month of January in this short session. Clerk Gipson stated the cost of the lobbyist is a shared cost through revenue sharing.

Copies of these statements are a part of the Clerk Treasurer records. She presented a copy of these records to the Mayor as City Executive. See Attached Exhibit K.

Odds & Ends—

Chief Hewitt stated he did not believe the Main Street or the City Grant and Marketing departments needed to attend the Board of Works meeting unless they had something that needed addressed by the Board of Safety. It is a lot of duplication in these meetings. The reporting of these 2 departments just doesn't seem to fall into the purview of the Safety Board. Councilman Radcliff stated he felt like it was best to have Council involved in the decisions.

Clerk Year End Transfers

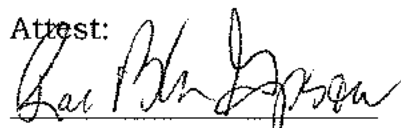

Clerk Gipson presented a list of appropriations that were transferred as of December 31, 2015. See attached Exhibit L. Gipson stated the transfer is actually a budget adjustment and only was transferred from the same category which she is permitted to do without Council approval. MEMO

TO: Mayor Bascom, Clerk-Treasurer Gipson, City Council Members
FR: Jascia Redwine, Rising Sun Regional Foundation
DA: January 7, 2016
RE: 2015 Fourth Quarter Report

Welcome to Mayor Bascom and City Councilmen Colen, Marksberry, and Rumsey!

Welcome back to City Councilmen Radcliff and Williams, and Clerk-Treasurer Gipson!

Most of you are familiar with the Rising Sun Regional Foundation and the why and how of its existence but let me write a brief history. As riverboat revenues have shrunk over the years, some people within the community wonder why the foundation awards grants outside of Ohio County.

Back in the mid 1990s, when casinos were first fighting over a license, the city wisely decided that any riverboat casino that got the license would have to agree to fund a foundation. To help sell the idea that Ohio County was deserving of a license, it was decided that this foundation would be a regional one, and would award grants outside of Ohio County. The regional foundation awards grants to organizations that primarily benefit residents of Ohio County, Ripley County, and the City of Aurora.

Each quarter, I will present to you a report that lists the grants awarded. In the last three months of 2015, the Rising Sun Regional Foundation (RSRF) awarded a total of \$304,364 in 13 new grants.

These grants included:

- \$40,000 to **Ohio County Community Foundation** toward matching funds for Lilly Endowment's GIFT VI initiative;
- \$30,000 to **Rising Sun-Ohio County Community School Corporation** toward the purchase of desks and chairs, whiteboard, and curriculums/assessments for the PE and speech departments;
- \$40,000 to the **Ohio County Commissioners** toward upgrades to its 911 system;
- \$40,000 to the **American Legion Post #59 (Rising Sun)/Ohio County Community Foundation** toward the development and construction of the Veterans Memorial Riverfront Project;
- \$5,369 to the **Ohio County Recorder's Office** toward the conversion of land deeds from 1844-1944 from microfilm to digital;

- \$3,089 to **Ohio County Elementary Middle School PTO** toward the purchase of playground equipment and an audiometer;
- \$30,000 to **Sunman Rural Fire Department** toward the purchase of Personal Protective Equipment and helmets;
- \$16,000 to the **Ripley County Commissioners** toward the purchase of three snow plows (this is why it is has not snowed; if we had not awarded this grant for snow plows, then it would have snowed like crazy);
- \$40,000 to **Aurora Fire Department** toward the purchase of Self Contained Breathing Apparatus;
- \$16,000 to the **Milan 54, Inc.** toward the development of "Legends Square," which is to be located across the street from the museum;
- \$16,236 to **Milan Community School Corporation** toward the replacement of lighting on the football field, softball field, and track;
- \$20,000 to the **Ripley County EMS** toward the purchase of a cardiac monitor; and
- Up to \$7,670 to **Milan Elementary PTO** toward the purchase of timing mats for the swimming pool.

As of December 2015, the **City of Rising Sun** has been the largest recipient of grants from a total dollar amount, which equals **\$1,730,941**.

The second largest recipient of grants from a total dollar amount is the **Rising Sun/Ohio County Community School Corporation**, which has received \$1,516,566.

The next grant application deadline is January 15, with decisions made by the end of March.

RISING SUN BLIGHT ELIMINATION PROGRAM

The Redevelopment Board Members of the City of Rising Sun will never forget the Blight Elimination Program of 2015, consisting of the demolition of several structures in the downtown area and eventually being replaced with new senior housing construction.

The first 9 months of the year was spent in meetings to discuss and negotiate the issues with historical district demolitions plus identification of the contractor and the completion of the documents required by IHCD. In early October everything came together and the demolition contract with Titan Reality Group was signed. The salvageable items from the structures were removed and stored in the street department facility per an agreement with Indiana Landmarks. Upon completion of all required documents, the sample demolition structure (127 S. Poplar Street) was scheduled for demolition on Dec. 10th, 2015 and completed on Dec. 16th, 2015. A representative from a third party inspection firm, Beam, Longest and Neff, L.L.C. was on site during the sample demolition and the firm has submitted a positive report for the sample demolition.

With the sample demolition completed, the remaining (4) structures can be scheduled for demolition this month (January 2016). All (5) sites will undergo a greening process in the early spring of 2016 and will be maintained as green spaces until new development takes place.

RISING SUN MAIN STREET GRANT PROGRAM

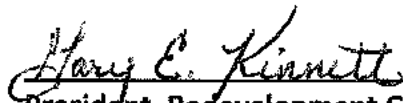

In November, 2015 – The Rising Sun Main Street Corp. Board requested the Redevelopment Commission to fund a new Grant Program for existing Rising Sun Businesses. The Commission Board Members voted unanimously to fund this new program because of Main Street's 501C3 status and the natural partnership that the Commission and Main Street have in common. The Redevelopment Commission President presented the

new grant program to council in November 2015 – council voted unanimously to approve the transfer of funds from a redevelopment grant account to a Rising Sun Main Street account for the new grant program. The total amount of the funds transferred in December was \$24,800.00. Anthony Smart, of the Ewbank and Kramer Firm, and the Redevelopment Commission's Atty this past year has prepared a document on the operation of the proposed grant program. This document will be reviewed and voted on at the next RDC Meeting on 1/12/16.

The Redevelopment Commission believes that this ongoing small grant program can have a positive effect on the community.

If you have any questions or concerns with this report, please contact me at (812)438-2811 or Email: gary.kinnett@gmail.com Thanks
